

Flood Plain Determination for 1810 Old Monkton Road

The floodplain determination shown on this map is based on the best information made available to Baltimore County. This information does not imply that the referenced property will or will not be free from flooding or damage. A property not in a flood zone may be damaged by a flood greater than that predicted on the FIRM or from a local drainage problem not shown on the map. This floodplain information, map, letter and its attachments do not create liability on the part of Baltimore County, or any officer or employees thereof, for any damage that results from reliance on this determination information shown thereon.
